

Need a Ground Cover that can tolerate a little “toe trampling” and still continue to thrive? Try our new line of Ground Covers called WalkAbouts™! They are the perfect finishing touch for any patio or walkway. Their different colors, textures and growth habits make them ideal accents and fragrant varieties will add a pleasant aroma when walked upon.

Tiptoes (TT): These plants can be stepped on once per day without serious damage occurring.

Liriope, Creeping ☀️🌿
 Liriope, Creeping, Silver Dragon ☀️🌿
 Lysimachia, Goldilocks ☀️🌿
 Toadflax ☀️🌿

Tread Lightlies (TL): Plants in this category can withstand medium foot traffic and are great for use in between paving stones.

Ajuga, Black Scallop ☀️🌿
